Mr. Joe Noonan
Planetary Partners

Dear Joe,

Many thanks from the twenty of us here at MariTech Services, Inc. Your Crew Synergy workshop training has not only been a pleasure to participate in, but has provided a revelation as to the power of words in relationships.

Even though we are one of the most ethnically, nationally and economically diverse groups that you will ever hope to train, I can honestly say that you have found the common ground in our group and moved all of us to the next level of cooperation and teamwork.

Our managers have already remarked on the positive change in efficiency and improvement in attitude in the work place.

Thank you again for providing this opportunity and we will all look forward to working with you again soon.

Best regards,

Mark H. Brown
Vice President
